

SOUTH COAST MEDICAL CENTER
FOR NEW MEDICINE

GREAT CLASS FOR THE WHOLE FAMILY

PREVENT DIABETES

Did you know that 500,000 people die each year from diabetes complications, but half of the people who have diabetes are unaware that they have it???

Take steps **now** to avoid this serious medical condition by attending our Diabetes Prevention Class, given by our certified staff nutritionist, Liliana Partida.

In this 2-part course, you will learn to:

- Test and maintain healthy blood glucose levels
- Prevent diabetes through diet, exercise, stress management and supplementation
- Decrease your waistline and feel healthier and fitter than ever!

- Includes Metabolic/Body Fat Testing
- May be covered by your insurance plan – superbills will be provided for self-billing

Sign Up Today – Space is Limited

When: Weds, August 6 and Weds, August 20, 2008 @ 5:30pm
Duration: 90 minutes
Location: South Coast Medical Center for New Medicine
6 Hughes, Suite 100, Irvine, CA
Cost: \$99 for 2-week class
